

Vehicle engine maintenance is vital to improving fuel economy and mileage... Recochem develops specialized performance chemicals and fuel additives that help to provide premium engine protection while simplifying the maintenance program for modern engines (automotive or heavy duty). These products are ideal for retail automotive departments and gas bars.

Air Brake Antifreeze

Helps guard the brake lines from freeze-ups and reduces brake failure.

- Prevents frozen air lines during winter temperatures
- Absorbs condensation within air brake systems
- Lubricates valves and seals to minimize wear

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-261	1 L	6	056438152613	60056438152615
15-264	3.78 L	4	056438152644	40056438152642
15-268	18.9 L	Pail	056438152682	N/A
25-269	205 L	Drum	N/A	N/A

Fuel Line Antifreeze

Fuel Injection Gas Line Antifreeze for cars, boats, RVs, lawnmowers, snowmobiles.

- Methanol-free formulation

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-316	150 mL	40	056438153160	80056438153166

Universal Gas Line Antifreeze for fuel injection, carbureted and diesel engine vehicles.

- Prevents lines from freezing
- Dries moisture in fuel tanks and lines
- Contains methanol and effective bittering agent

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-355	6 x 150 mL	6 x 6 x 150 mL	056438153559	60056438153551
15-356	150 mL	40	056438153566	80056438153562

Diesel Fuel Conditioner

- Removes moisture and cleans fuel systems
- Prevents and thaws frozen fuel lines
- Removes gum and sludge from entire fuel system

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-281	1 L	6	056438152811	60056438152813

Premium Diesel Fuel Conditioner with *Antigel* contains special additives to prevent fuel gelling for better start and engine performance in cold weather.

- Promotes strong cold start and combustion performance at extreme low temperatures
- Cleans and lubricates the fuel system; improving cetane rating
- Improves fuel economy by increasing power and mileage while reducing harmful emissions

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-292	1.89 L	6	056438152927	60056438152929

Brake Fluid

DOT 3 Brake Fluid meets performance requirements FMVSS-116 & SAE J1703.

- Protects metal components of the braking system
- Controls elastomer swell, which ensures seal performance
- Provides required lubricity to all moving parts

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-810	450 mL	12	056438158103	10056438158100
15-811	946 mL	6	056438158110	60056438158112
15-813	350 mL	12	056438158134	10056438158131
15-814	3.78 L	4	056438158141	40056438158149
15-818	18.9 L	Pail	056438158189	N/A

Power Steering Fluid

Meets or exceeds technical specifications GM9985010, DaimlerChrysler MS931, Ford ESW M2C128D.

- Prevents pump, valve & cylinder wear at high temperatures
- Avoids the swelling, shearing, and cracking of seals and hoses

Item No.	Unit Size	Case Pack	UPC	SCC 14
15-881	946 mL	6	056438158813	60056438158815
15-883	350 mL	12	056438158837	10056438158834
25-889	205 L	Drum	N/A	N/A
